Payments are due on the date shown above. Payments can be mailed to 4611 Mortensen Road Suite 106, Ames, IA 50014

- 1) Final tournament entry fee payment for grades 3-8 is due March 1 and is currently listed as \$200. Once the exact tournament schedule for each team is final, the exact amount for the final payment will be determined.
- 2) Program fees go toward facility principle and interest payments, property taxes, utilities, cleaning, etc. as well as a portion to paid coaches. (please note: most coaches and those involved with AIA volunteer their time for the development of the players)
- 3) All Iowa Attack club members living within a 30 mile radius of the new gym will be asked to pay the \$100 program fee. Club members living outside a 30 mile radius can pay the \$75 program fee. All club members will have access to the new facility, but we believe the members within the 30 mile radius will get more individual workout time in the gym thus the higher program fee payment.
- 4) We will be getting new jerseys for the whole program. The total estimate for two sets of jerseys (black and white, tops and bottoms) will be \$150. We are estimating the arrival for grades 3-8 jerseys to be October 15. High school jerseys will be in around March 15. The jersey fee is due when you receive your jersey.

*Multiple Children Discount: If you have 2 children in the program, child 1 pays according to the fee schedule above. Child 2 would pay full tournament entry fees and jersey fee. Their program fee would be 1/2 of the amount listed above. If you have three or more children in the program, they would pay full tournament entry fees and jersey fee and no additional program fees.

**Scholarships (partial or full) may be available through the Iowa Youth Basketball Foundation upon request. These scholarships are limited and are to be used by the players that are in financial hardship and demonstrate the attributes of an AIA club member. (Finances should not be a reason that a player does not have the opportunity to participate with the All Iowa Attack.)
